## YEAR 10 2021 FUTURE PATHWAYS & SUBJECT SELECTION INTERVIEWS

Dear Parents/Guardians

To further support your student in making appropriate decisions about their future pathways we have scheduled a meeting on **Monday 31<sup>st</sup> July** to discuss your student's subject selections for Year 11 2024.

Our aim is to work collaboratively with you in providing relevant career and transition guidance for your student.

A meeting has been scheduled with a staff member to facilitate this process and I have attached a meeting schedule with this letter. Interviews will be held in the Library, with 20 minutes allotted for discussion. Please arrive 10 minutes early. Parents are encouraged to attend and if not, be available on a contactable number that your child knows so you can join the interview over the phone.

During this time, we would like to discuss your child's future pathway plans and help make an informed decision regarding any subject selection or alternate post year 10 options.

**No lessons will be held for Year 10 students on this day. Students should only attend for the interview. Note that students should not be at school prior to or remain after the interview. Students and parents/guardians should sign in and out through the front office**

Mr Blinman, the Future Pathways Adviser, will be available to provide information and advice about TAFE options and tertiary education. Mrs. Watts, Deputy Principal, will also be available to answer specific questions regarding course requirements for HSC and ATAR.

Students will have received their Semester One Reports prior to this date. This is to allow time for parents/guardians to review the report in conjunction with their child prior to the meeting.

Prior to the meeting, students must complete the Personalised Learning Plan (students receive week 1 term 3). Please bring the following to the meeting:

- ☐ Semester One Report
- ☐ the completed Personalised Learning Plan

Students will be required to nominate their preferred courses using a WebChoice system online. Further instructions and passwords for the WebChoice system will be provided to students through a meeting and via email on Friday 28<sup>th</sup> July, with final preference selections closing Thursday 3<sup>rd</sup> August.

If you have any queries please contact Ms. Lawrence at the school on 49 901 977.

Yours in Public Education  
Mr. Peter Riley  
Principal  
21<sup>st</sup> July 2023
