

LEVEL 3+ ONLINE TIMETABLE

- In this timetable model the whole school operates on a 5-period day with reduced lesson time.
- All lessons start at the same time as lessons at school, however Stage 4 and 5 online learners can still have a break after 40 minutes, if required. Stage 6 online learners are required to complete 60 minutes for each lesson.
- Teachers will ensure Canvas lessons are detailed enough so all students can engage with learning. All links to other platforms (Google Classroom, Teams) are provided.
- Teachers will be available online through CANVAS on the Big Blue Button **during the timetabled period**. This is to provide instruction, touch base with students who are on-line, offer support, answer questions and discuss the work being completed by the class.
